FOREIGN POLICY

130. **The USA FOREIGN POLICY has been TYRANNICAL to the WORLD, imposing Democracy by Force, Crime-Against-Humanity, millions killed, refugee crisis, among others. USA HAS NO CREDIBILITY, HAS ENEMIES FOR BAD FOREIGN POLICY, CLOSE TO WAR-CRIMES, IT NEEDS RESTORATION OF TRUST.**

Bill to close all the EMBASSIES AND CONSULATES around the world. No exemption.

Establish new regulations, laws, and agreements to Re-Open.

Nationalizing Commercial Passenger Aircraft (Become Military) to bring all US Personnel (Embassies and Consulates) and US Military Soldiers (300,000). Global Presence deployed in more than 150 countries. No FLYZONE over USA for six months. Only military aircraft. Nationalizing American Industries/Corporations.

Secretary of State, Mike Pompeo (former CIA director) bypass in May 2019 the USA Congress (veto resolution), then, find an after-the-fact justification for the expedited sale of \$8Bn arms fast-track deal with Saudi Arabia. The Secretary of State overpassing the USA Constitution "balance of powers" and "check and balance," declaration "emergency exists."

"We lied, we cheated, we stole" Mike Pompeo.

US national security interest in the Middle East region (Foreign Policy) due to intense and immediate threats (wartime) from Iran. When any country that rejects the Petrodollar Treaty-USA Foreign Policy in the Middle East always followed by a change in regime, this parasite foreign policy is counterproductive to American society values-of-justice. The Arms Control Export Act of 1976 (22 USC, Ch39); gives extended powers by an emergency declaration during a war that cannot wait 30 days for congressional approval. The transfer review process of long-standing arms with Congress does not require the USA President to identify specific conditions that create the legit emergency, only a justification (loophole). Which in this arms transaction, was misleading due to the full sale weaponry (not build); rather, the part needed immediately.

The armaments for legitimate self-defense (internal security), not to support international terrorism and escalation of conflict against Yemen citizens (potential violations of crime against humanity). The Nelson-Bingham Act of 1974 control the sale of arms and requires that Congress be informed ahead of time or simultaneously.

The Foreign Assistance Act of 1974 violation includes security assistance to any government which engages in a consistent pattern of gross violations of internationally recognized human rights. In other words, the USA President should deny military assistance to the government of any foreign country which imprisons the country's citizens for political purposes.

The USA government's lack of accent on human rights in foreign policy needs Congress reassessing to be the fundamental major premise, not the tyranny of the executive power. The government of Israel is a perfect example of human rights violations in GAZA and

escalation of conflict in the West Bank perpetuate to achieve Oded-Yinon-Plan, Zionism's agenda.

Secretary of State establish the function of the Inspector Generals by law (supposed to be doing). Inspector General ensure that government officials are accountable to the law, to Congress and the American Citizens. There are no questions, the US Department of State has violated the "clearly established law;" furthermore, it needs to be held accountable for the violation of the USA Constitution.

Bill to Amend the Arms Control Export Act of 1976, to add "Sales notification cannot be kept classified by the executive and must inform Congress not later than 7 days or the sale will be illegal and void." "The Secretary of State in violation of this law will be prosecuted with a penalty of two years prison if found guilty."

131. **THE COUNCIL ON FOREIGN RELATIONS (CFR): Their influence take-out sovereignty and undue influence (influence to act) on US Foreign Policy. American-People choose our destiny as a country.**

UN does not apply human rights equally in all parts of the world. Moreover, arbitrarily ignore international laws due to failure in upholding universal human rights. Therefore, is partly responsible for this inequality and the World's population enslaved by 2030 such citizen surveillance observation 24 hours a day (end of privacy).

CHINA AND TAIWAN

137. China "King of the East" has Chinese army base in the USA, Canada, Philippine among others all over the world with at least a 1Mn of Chinese with school, culture, and language living in the base. China builds Chinatown's economic power (business with mainland China) gaining the control of that country's economy, media, politics, and culture. Chinese mainlanders living abroad have dual nationality. Financial is the true conquest and already has dominated the world. Korea's president, Park Chung-Hee made no overseas Chinese own big business in Korea.

Overseas USA Army bases are under the lead of mainland USA that can be closed, but "Chinatowns" are self-operated and secretly connected to mainland China which cannot be closed. That is to say, China controls land and USA controls the sea. The Chinese trade strategy (cheap products) to destroy competition by increasing its influence; despite this, its biggest flaw is democracy, as the sleeping giant is not the United States but the average Chinese citizen living under oppression. Hong Kong's "political prisoners" in re-education camps in China because of their democratic ideals.

China preparing for total war to challenge USA as the dominant global power. USA foreign Policy with Beijing for cheaper goods while USA lost manufacturing and software to China leaving our society vulnerable to basic necessities. The intellectual property theft of US Defense infrastructure and equipment by China. USA-China relationship can initiate a cascade of reactions that trigger large-scale conflict. Chinese Communist Party's Quiet Riot, DONG FENG 41 (super nuke) hypersonic ballistic nuclear missile (8,000 mph) capable of

breaching all existing anti-missile shields deployed by America (flies at lower altitude). Nuclear Nuke that can strike USA in 30 minutes with ten warheads. China-Pakistan (DESTO) developing-bio-warfare capability including "Anthrax-like" pathogens. China's microwave weapons cruelty and high-energy laser capabilities for naval applications. China currency manipulator on the TRADE WAR. Huawei Chinese tech equal Chinese Communist Party (CCP), 5G weaponized?

CHINA ONE BELT ROAD with their MARITIME SILK ROAD, CHINA IMPERIALISTIC POLICY. Lending Plans to impoverished countries and take control of their ports and railways (China Commercial and Military Assets). Debt Incurred by these countries (economic enslavement) is not Foreign Aid.

China Islamophobia

China Human Rights Violation ART 5, 18, 27, Uighur Muslim (Central Asia) religious minority from the Chinese province Xinjiang. Uighur ethnic minority oppression, more than one million detained in prison camps and authorities sending men to live with Uighur women (whose husbands had been sent to prison camps) often sleep in the same room/beds with the women (three feet between them at night).

138. Taiwanese overwhelming consensus rejection of ONE COUNTRY-TWO SYSTEMS and their optics to achieve its political aim (INDEPENDENCE).
- China asserts that Taiwan is an inalienable part of it and Taiwan will not seek independence.
 - Taiwan had been Chinese territory since "ANCIENT TIMES."
 - BEIJING has refused to renounce the use of force to resolve the island's status. People's Liberation Army Advance military capabilities for an invasion of Taiwan (readiness).
 - Taiwan Harpoon Coastal Defense Systems is clear message that a warfare is inevitable.

Bill to annul the TAIWAN RELATIONS ACT (Public Law 96-8):

Taiwan and China are the only parties to negotiate the future of their relations once all. Taiwan political leaders need to understand the outcome of war (conventional or nuclear) is in their disadvantage. USA intervention will not advance PEACE only DESTRUCTION (WW3).

139. **CHINA NINE-DASHLINE** (Chinese Sovereignty border on the sea).
- Yang 1947 II-dashline and 286 bits
 - Two lost to Vietnam
 - China's Maritime claims not one Dash less
 - Taiwan ensures one more
 - China more expansive claim to the waterway because 2009 map did not follow the right image scale (1947).
 - China war like readiness over South China's Sea (oil and natural gas).

China Military ready artificial islands in the SOUTH CHINA SEA causes ENVIRONMENTAL DAMAGE by pumping sand onto LIVE CORAL REEFS.

CHINA AIR DEFENSE IDENTIFICATION ZONE unidentified aircraft interception.

140. China claiming "Vladivostok" from Russia and spying on Russia; also, China-India Galwan Valley dispute turned into deadly clashes.
141. **Only a Full-on Military Showdown to Stop China Expansionism EAST, ASIA COUNTRIES VS. CHINA. Taiwan, Malaysia, Hong Kong, Indonesia, Vietnam, Philippines, Cambodia, Japan, Thailand, South Korea, Laos.**
142. **Bill to declare U.S.A. Foreign Policy with China.**
 - **Adversary**
 - **No trade**

ISRAEL

143. ***"If you want to know who controls you, look at who you are not allowed to criticize."***
Voltaire.

American Citizens cannot be silence anymore. The Creation of the State of Israel (1948):

- **U.N. Partition Plan 1947-Recognition of Arab and Jewish States.**
- **Two-State Solution and Jerusalem as a "corpus-separatum."**
- **East Jerusalem unilaterally annexed by Israel in 1980.**
- **Palestinian Declaration of Independence (1988), Legal Basis Resolution 181**

"Where are The Borders of The State of Israel? "Erdogan.

Palestinian Rights:

- **National Independence and Sovereignty, (Ending the Israeli occupation-Israeli Military Law).**
- **Right to return to their Homes and Property (Israeli grabbing Palestinians Land).**
- **Right to Self-Defense-fighting for their freedom.**

Israeli citizens are governed by ISRAELI LAW while Palestinians are governed by military law. WEST BANK is under direct Israeli Military and Civilian Control restricting their freedom of movement and arresting them without charge or trial. DESENSITIZING THE MASSES. Administrative Detention, legal tool of repression of Israeli occupation; is incarceration without trial or charge. It has no time limit and the evidence on which it is based is not disclosed. A country is not a Democracy if it has political prisoners.

The right of the Jewish people to self-determination in the land of Israel. Zionism is about

equal rights for the Jewish Nation. Anti-Zionism is anti-Semitic that exposes Jews to dangers, forcibly dispossess Jews of a fundamental right. Eylon A Levy take a look at Palestine 1917 map vs Palestine 2020 map. Are they being erased from their existence? Anti-Semitic or crime against humanity?

The Palestinians uprising of September 2000, Israeli Ariel Sharon visited the walled Old City Noble Sanctuary (Muslims al-Haram al-Sharif) and Temple Mount (Jews). Palestinians viable state with its capital in East Jerusalem.

Khalida Jarrar Palestinian Parliamentarian and political prisoner of Israel is leading an effort to take Israel to the International Criminal Court.

144. **Israeli Sophisticated nuclear weapon strictly for Defensive (“Never-Again”) use only Dimona nuclear Reactor (1960) in the Negev Desert. Military from the outset (24- Megawatt reactor). Israeli nuclear bomb option to ensure U.S.A. consistent conventional arms supply (No More).**

NEGEV NUCLEAR RESEARCH CENTER refused International Inspections.

Nuclear War Fighting. Jericho II Missile Nuclear payload, ability for low yield tactical nuclear artillery shell (45 miles), Low Yield Neutron Bombs (MICRO NUKES and TINY NUKES).

Government of Israel change the NUCLEAR ARMS RACE In the MIDDLE EAST with their **second retaliatory nuclear strike capability (submarines).**

“SAMSON OPTION” last resort destruction. No longer acceptable the policy of:

“All methods are acceptable in withholding nuclear capabilities from an Arab State.”
General Amnon Shahak.

“The nuclear issue is gaining momentum [and the] next war will not be conventional.”
Israeli President Ezeaweizman.

“Government of Israel Desires Of Regional Power for Promise Land. “Oded Yinon Plan, 1982

“Consider an attack if any country gets close to achieving a nuclear capability.” Israeli Airforce Commanding General.

They consider such regional nation nuclear programs to be sufficient CAUSE FOR WAR.

Monolithic views to liberate the Temple Mount for the building of the THIRD TEMPLE. ISRAELI NUCLEAR SECURITY (chain of decision and control) and misuse can cause WW3.

Israel warns “Beirut blast may reoccur.”

Modern Heat (oxygen) Weapon? Tiny nuke (Fourth generation?)

145. **Bill to Null and Void THE NOAHIDE LAWS (BABYLONIAN TALMUD) IN US JURISDICTION. Not Compatible with the Bill Of Rights; therefore, consider RELIGIOUS EXTREMISM not DEMOCRATIC REFORM. NOAHIDE LAWS are PHARISEES and RABBI writings not Ten Commandments (Real Tablets of the Covenant- Exodus 20:1-17).**

Bill Condemning Talmud Sanhedrin.

- It is LAWFUL three years old to have sexual intercourse. Sanhedrin 55b, 69a.
- When a man commits sodomy with a boy under nine years of age, it “is **Not Deemed** as pederasty.” Sanhedrin 54b, 55a, 69b
- When a GENTILE kills a JEW, the GENTILE must be killed; but when a Jew kills a
- GENTILE, there is not death penalty. Sanhedrin 57g
- Those who read “the works of the JUDEO-CHRISTIANS (New Testament) will end up in hell. Sanhedrin 90a

Bill Condemning RABBI YISRAEL ARIEL for advocating genocide. According to MAIMONIDES, Non-Jewish People abandon Christianity and Islam and be governed by Jewish Law or be killed.

146. **BILL CONDEMNING THE GOVERNMENT OF ISRAEL**

- **ATTACK OF “USS LIBERTY”**

On June 8, 1967, during the “Six-day-War” in the Middle East between Israel v. Egypt, Jordan, and Syria. USA Navy “Liberty” eavesdrop (intelligence gathering) on the conflict in international waters was attacked by Israeli military jets and motor torpedo boats. Israeli slaughtered the USS Liberty ship flying the USA Flag (attack USA) with 34 killed and 172 injured of 300 crew members. Israeli commanders knew that they were attacking an American ship, and other evidence was covered up and manipulated by the secret agents of a foreign power.

The USA, during this year's racial discrimination and extreme poverty, exploded into a summer of rioting in cities across the country and the Vietnam War. Israel's government consent that will not attack first the Arab Nations but, on June 5, 1967, jammed radar from US Embassy in Tel Aviv so the USA could not detect their jets taking off to launch a surprise assault on Egypt.

The USA supplied the Israelis with technology. The Israelis were jamming both distress frequencies and tactical frequencies. International Law considers a violation jamming the international distress frequencies, only the government of Israel knew the frequencies due to ally status.

Firstly, Israelis confirm the identity of the ship at 5:15 A.M., that morning and seven reconnaissance flights during the day. Second, the international law violation, and third, Israelis ignored the agreement of no first strike. The state of mind of the Israelis commanders was clear when they jammed the USA Embassy in Tel Aviv. At this point, there is no doubts beyond reasonable that the attack of USS Liberty was deliberate because of the eight confirmations of the ship during June 8, 1967, WAR CRIME.

The Israeli Armed Forces cynical question: Do you have casualties? This was obvious when there were body parts and blood on the bulkheads. The USA Government first response was cover-up, so journalists could not tell American-People. The National Security Agency (NSA)

denied the victims' family their freedom of speech when government officials prohibit the victim's family members talk to the press (with 24 hours surveillance). Ex-president Lyndon B. Johnson pro-Israeli leaker and briefer of Newsweek alarm the Jewish organizations which threaten the USA President with gross antisemitism (blackmail). The cover-up was massive and Israeli's influence in the USA Congress (Jewish lobby) could determine almost 160 of the 270 electoral votes needed to win the White House. The outcome was USA government aid to the government of Israel increased and top-secret treaty for the mutual exchange of intelligence (STONE RUBY).

Democrats and Republicans were deceit by the government of Israel because it was a limited war, not a land grab. The action continues until this day; indeed, it is why they attacked the USS Liberty, so the USA will not interfere with their agenda until achieved. Inclusive, the war crimes result against American military personnel killed in this deliberate attack, was not prosecuted. Another theory of why-probably sinking-of the USS-Liberty, blame it on Egypt, to get the USA involved. The reaction of the US government is treason against their oath and the duty to protect American-People.

Whitewash with \$ 25,000 (widow) and \$ 10,000 for each child for the blatant murder of US citizens. These are proofs of the facts, and an anti-Semitic shield do not apply.

- **ISRAELI ESPIONAGE**

The federal government acknowledges publicly suspicious activity of unauthorized IMSI-catchers (StingRay) in Washington (2017). The government of Israel was on the list of suspects conducting such an operation (analysis of the devices) against the USA President. When working with and around Israeli intelligence services (Mossad), its standard policy to act like you are dealing with a hostile service such as China or Russia. Israeli officials denied intelligence operations (active monitoring) against USA targets, so there was no diplomatic reprimand for the alleged action. **Jonathan Pollard, a spy-for-Israel (1985) was described as one of the most damaging spies ever to operate in the USA (history fact).**

Another USA investigation concluded that secret-US-missile and electro-optics technology was transferred to China by Israel. James Woolsey (1990) told a Senate Government Affairs Committee that Israel had been selling USA secrets to China. There is evidence that Israel stole Patriot missile avionics to incorporate into its Arrow system. The reality of Israel spying is indisputable and eroded USA military advantage, enabling foreign powers to obtain technologies that had taken yours to develop. Placing Israeli-nationals in key industries is a technique utilized with great success.

- **FOR HUMAN RIGHTS VIOLATIONS against PALESTINIANS.**
- **Prolonged occupation of territories gained in war.**
- **The government of Israel destroy Palestinians COVID-19 Clinic emergency homes constructed to help themselves (disregard for human life). Armed illegal Israeli settlers assaulted and threatened unarmed Palestinians on their own land who pose no threat.**

147. **BILL to Null and Void USA Department of State Foreign Policy towards the Government of Israel. Pompeo wrong position on Israeli's settlements in the WEST BANK. US DEPT. OF STATE 1978 legal opinion, still valid today, is inconsistent with International Law.**
Bill to Null and Void Conventional Arms Supply to the Government of Israel.

Israel-United Arab Emirates (UAE) peace agreement Abraham Accord of August 2020 exposed the government of Israel making USA decisions on Military-Industrial-Complex when denied the sale of F-35 to the UAE. USA law requires the Executive Administration to consult with the government of Israel before selling arms to any Arab country and reports to USA Congress. USA is "deep capture" by the government of Israel from treasonous USA government elected officials that surrender USA sovereignty either for election funding (AIPAC) or dual citizenship. The F-35 was the target not the normalization (peace) with the government of Israel. There will be never a peace agreement due to the Oded-Yinon-Plan (Promise Land), the government of Israel will fight until the last American soldier. International Law is not the same as "God give the Jewish people the land". The government of Israel is pushing WWII with Iran and it will happen.

Bill to totally annul THE ISRAEL ANTI-BOYCOTT ACT.

Bill to Null and Void ALL TREATIES WITH THE GOVERNMENT OF ISRAEL.

Bill to Declare USA FOREIGN POLICY WITH ISRAEL:

- **No Trade**
- **No Political Relation**
- **No Tourist/Student.**

Bill to Fund the building of ten, 3,000-cubic-meter WATER TANK (Palestinian territory).

The intention to ANNEX the Jordan Valley will take away the minimum conditions for establishing a PALESTINIAN STATE alongside with ISRAEL. Violation of Geneva Convention established that an occupying power shall not transfer civilians into the territory it occupies.

MIDDLE EAST PEACE TREATY

148. **EQUALITY ENSURED to all ISRAELIS and PALESTINIANS living between the Jordan River and the**

Mediterranean Sea. **THE LEVANT: SIYYON/SION & EAST-JERUSALEM/PALESTINE; DEMOGRAPHICALLY SECURE**, which offers protection for their political and legal rights and preserves their national identity and provide autonomous areas for the Palestinians. Jordan was separated from Palestine in 1921, it must give some land back to the Palestinians to extend the West BANK and EGYPT too, to EXTEND GAZA STRIP.

Palestinians and Jewish people have deep connections to the historic land of Palestine are to be treated as citizens in land inheritance (inhabited by Palestinians for centuries).

Acknowledgment, Abraham's descendants (Christian, Jewish, and Muslim) call to practice justice from a modern human-rights-perspective not biblical covenant.

All people are to be regarded with security and rights on the land; it happens to be the homeland of two people **PEACE will depend on this sharing. Never elevated above others or granted privileges at other's expense, but love for the whole world walking humbly with God of Abraham.**

The issue of Jewish settlements in the WEST BANK and EAST JERUSALEM on land occupied in 1967 Middle East war encouraged by government subsidies and religious belief that God gave the land to the Jewish people (PROMISE LAND) needs intervention. Government of Israel must freeze all settlement activity and abolish hundreds of checkpoints and roadblocks to assure Palestinian's freedom of movement before resuming peace talks. The issue of Israelis settlements from Palestinians to avoid direct talks are legit.

The government of Israel long-term plan to displace thousands of Palestinians as they are leaving GAZA is tyranny. Also imposing Israeli sovereignty on Palestinians West Bank and Jordan Valley. Another sovereignty violation is Palestinian exports (economy) blocked by the government of ISRAEL prevented from passing an Israeli checkpoint to Jordan any agricultural or food product to the Arab countries on Muslim holy month of RAMADAN.

The real recognition of the State of Israel happens when their crime against humanity to Palestinians; **stop this oppression.** The State of Palestine full sovereignty restorations will bring long-lasting Peace and Prosperity for future generations. **Peace Treaty without the Palestinians is a false intention rejected by righteousness, let it be the remembrance.**

Palestinians with no territorial contiguity will not be able to exercise their rights to SELF-DETERMINATION and influence their future. Palestinians should have 75% control over "HISTORIC PALESTINE" and EAST JERUSALEM as capital, 25% UNIVERSAL FOR MUSLIMS, CHRISTIAN, and DRUZE to avoid discrimination. WEST BANK 50% settlement and East Jerusalem 100 % must be uprooted immediately. Establish one portion of land for contiguous territory for PALESTINIAN STATE and allow return of Palestinians refugees.

Palestinian State must have their own military force. Government of ISRAEL "SAMSON OPTION" will guarantee total destruction of Middle East and serve as deterrence for their militarily indefensible borders. RECOGNITION: STATE OF ISRAEL and STATE OF PALESTINE.

Trump Administration Middle East Peace Plan (January 2020) will bring sudden destruction shall not escape, this void Peace and Security is MALA IN SE. US Middle East Foreign-Policy is a will full decision from our government and cash for concession and compliance will not work. Unilaterally perpetuates one side's oppression and dispossession of the other will bring injustice and violence for generations. Palestinian President Mahmoud Abbas rejected the Peace Plan. **Israel-United Arab Emirates (UAE) peace agreement Abraham Accord** of August 2020, the F-35 was the target not the normalization (peace) with the government of Israel.

The government of Israel must have control and retain:

- **The Jordan Rift Valley,**
- **Areas of the Mountain Ridge,**
- **Control the air space over the West Bank (Jerusalem -15 miles).**
- **Over-riding security (defense from terror tunnels and arteries of transportation).**

The government of Israel must respect Lebanon air, land, and sea sovereignty. Also, withdraw immediately from Lebanon SHEBAA FARMS and South Al-ghajar (Blue Line).

The Government of Israel must uproot 100% Syrian Golan Heights settlements and cease and desist GENIE ENERGY CO. immediately. The Golan Heights need a SAFE ZONE permanently, 1949 ARMISTICE LINE and DEMILITARIZED ZONE (DMZ). The government of Israel must respect Syria air, land, and sea sovereignty. Peace Treaty or cease-fire agreement between Israel and Syria will not dictate who govern Syria or their allies.

International Forces (UN) failed to provide security to the government of Israel. Israel can defend itself by itself and live-in peace free from threats or acts of force.

"Israel is the Nation-State of Jews alone." Benjamin Netanyahu.

The State of mind of Prime Minister of Israel proof beyond reasonable doubt. Expansionism policy and large scale of human suffering. **It need intervention from Israeli's citizens to avoid Nuclear War mutual destruction and once it begins through the Valley of Death the inflection point will be Extinction of One or both.**

MIDDLE EAST PEACE is INEVITABLE. END OUR MILITARY INTERVENTIONS in the Middle East that are convulsing into turmoil/TIME TO DEESCALATE.

IRAQ'S MASSIVE demonstration voicing their anger at the US Military presence is one example (January 2020).

FRANCE

149. One Muslim extremism action to behead a French professor for Prophet Muhammad caricatures was Malum In-se. The disproportionate outcome of a religious insult by killing (beheading) the person exercising his constitutional right of "freedom of expression" creating a parallel culture by rejecting France Constitution. The professor Samuel Paty lack of common

sense was questionable and offensive. The Islamist attacks, even when is not explicitly forbidden by the Quran; yet, slaughtered 12 citizens at the Charlie Hebdo offices in 2015. The Charlie Hebdo cartoons are icons of a secular tradition since the French Revolution. Therefore, was an act of “Islamist separatism” (extrajudicial Sharia Law).

The Renaissance Party support France Constitution as supreme law of the land. UPDATE: JAN 2022; “Disrespectful behavior is not freedom-of-expression, but such socio-political scrutiny is independent intelligence (security) & pursuit-of-happiness (coexist).” Allan Echavarria Diaz.

“What are insults against Prophet Muhammad? ... acute and extremist manifestations.” PUTIN.

“Insulting the Prophet is insulting all Muslim.” Hassan Rouhani, President of Iran.

Turkey-Erdogan accusing France of an anti-Islamic agenda and a “mental health check” need intervention. The Muslims came to France voluntarily; therefore, they need to obey the French Constitution, and it was established before Muslim’s immigration. Then, is not an anti-Islamic agenda. President Erdogan Caliphate against the Christians indeed is Mens-Rea promoting another genocide already done by the Ottoman Empire (1915- 1917), that claimed the lives of 1.5Mn Armenians.

TURKEY

150. Turkey Justice and Development Party (AKP) and its leader President Erdogan have grown authoritarian, shifted from a parliamentary system (removed checks and balances) to a presidential system (2017). Declining of the "rule of law" (due to the process and judicial independence), the sole authority to appoint and dismiss high-level public officials, and the Non-Prime Minister, democratic regression. Islam and Turkish nationalism identity-driven deepened societal polarization along conservative-religious and secular-progressive. Turkey violation: of NATO’s founding charter cites “the principles of democracy as individual liberty, and the rule of law.” Erdogan and his advisors envisioned Turkey becoming the spokesperson of the Islamic world in the international system.

“In this city that we had to leave in tears during the First World War, it is still possible to come across traces of the Ottoman resistance. So, Jerusalem is our city, a city from us.” Recep Tayyip Erdogan, President of Turkey.

Allah will bring it forth on the Day of Judgment, and it will have two eyes with which it will see and a tongue with which it will speak (At-Tirmidhi Sunan). The Black Stone of the Ka ’bah (sacred stone that fell from the sky). Breathes the image/statue that would even speak? (Rev13:15).

Turkey and the Resurrection of the Ottoman Empire as the Islamic State Caliphate (Islamic

Confederation) under Erdogan Regime. During WWI, the empire collapsed, and the caliphate was dissolved. Turkey (secular state) is a NATO member (Al-taqiyya), also jihadist entity (median age 25 years) divided population. Turkey will invoke NATO Art. 5 to a full-blown War with Russia. Erdogan warns Europe to avoid mistakes that would bring about their destruction. Turkey military operation in Syria without restraint and sobriety. Live-dispute gas pipeline in Eastern Mediterranean puts Israel on a collision course with Turkey (“challenge”). Albert Pike, WWII-Muslim vs. Zionism mutual destruction. **WARNING:** The Rise of the beast (Islamic Subjugation), **RED CALIPHATE FLAG** conquest to establish Turkish Civilization worldwide (Ayaan-hirsi-ali). The restoration of the caliphate, **“Get together for the Caliphate, if not now when, if not you, who.”** Ottoman Empire, once was, then was not yet came again. The other Mideast beast comes from Cain, the one marked, revealed 12th Iman Al-Mahdi of Shia Islam from Jamkaran Mosque. This is the mark of the beast (abomination of desolation) mandatory open conscious world worship by military domination (captivity and sword). “Jizyah” payment submission (Qur’an 9:29) or be beheaded (infidels). Why is it a crime to call Mohammed black punishable by death? Racism?

Began July 2020, Ottoman Sword (original) entered between two green flags to conquer “Hagia Sofia” (first Christian Cathedral of Constantinople) in Istanbul, Turkey. Hagia Sophia and the Church of the Holy Saviour in Chora were converted into mosques by Recep Tayyip Erdogan’s presidential decrees (conquest rhetoric). Erdogan relive the Ottoman brutality and support for the Palestinians as an excuse for liberating Al-Aqsa Mosque in Jerusalem. Erdogan’s violation of ruling Islamic Law that allows minority place of worship, opened the possibilities for the government of Israel to build the Third Temple on Temple Mount (Haram-esh-Sharif) constructed by King Solomon as the holiest place for the Jewish people. Also, the Third Temple is sacred in Judaism (Messianic Age) as Ezequiel’s Temple with Amidah prayer.

The King of the North (Turkey), “Hagia Sofia” trickery, provocation to the government of Israel to annex the Temple Mount and justify the military intervention to liberate Jerusalem. As soon as the Islamic Confederation Army marched towards the liberation of the Temple Mount, Jerusalem then Jacob’s Trouble (crisis) began. Millions of Muslims in Jerusalem’s soil (Ezequiel 38-39) marked the beginning of Tribulation. The king (Turkey) to the North, Persia (Iran and Iraq) to the East, Libya to the West and Sudan to the South.

Azerbaijan unites the Islamic State Caliphate on the North. From the Arabian Peninsula, Yemen due to military assistance from Iran will unite also. Turkey and Muslim Brotherhood (Obama) mutual interest in restoring “the era of Islamic rule.” In Hadith call for genocide of the Jews, historical fact, the genocide of the Armenians by the Turks.

The vaccine is a soul-warfare-distraction (Christians) part of it (Antichrist) subject to the regime (economic), the mark of the beast. Also, remember, hand is action and front head is thoughts. Also, the mark was the abolition of the Sabbath by the Roman Catholic (False Prophet) to Sunday in violation of the Fourth Commandment (YHWH Covenant). The Antichrist is Jacob Rothschild and head of the One World Government. Rothschild family net

worth is over 400Tn. Tartarian Empire was a World Government, erased from history. Politicians craft to prosper (deception) by peace (destruction).

The government of Israel crimes against humanity towards the Palestinians will face judgment before their deliverance since true and righteous is God of Abraham Judgment then restoration. Remember, 1948-2020 Israeli government could not establish a peaceful solution, was deliberate but would not escape consequences from their actions.

Furthermore, promotes indirectly consensus jihad (social justice) because of the atrocities done to the Palestinians. At the same time, Pakistan (nuclear power) Kashmir conflict arise due to a military confrontation (Indo-Pakistani). As well, Armenia and Azerbaijan hostilities in south and northeast of Nagorno-Karabakh. If Azerbaijan fulfill the treat to strike Armenia's nuclear power plant, it will be an act of war. Russia supplied arms to both countries and Turkey backing ally Azerbaijan. Around 4Mn Muslims living in USA, a quarter are African Americans. The stealth Jihad began with Obama Administration followed by defensive Jihad. ARMENIA

151. Azerbaijan launches a military operation in the region of Nagorno-Karabakh, predominantly Armenian living there for centuries and secession from Azerbaijan in 1988. This conflict was poised for war since end of USSR. Turkey military involved in the Land of Noah have revived the Ottoman Sword and Russo-Turkish wars. Armenians have the military disadvantage and will not prevail as they did in 1988. This conflict cannot be resolved with military force but the peaceful resolution. **The Armenians Christian Orthodox need to evacuate Nagorno-Karabakh immediately, and the refuge crisis need to be assessed, so that all can return to Armenia safely. The separation, if genocide re-occur, then, must be completely including economy and closing all the Mosques inside of Armenia and the return of all Armenians from Azerbaijan and Georgia to preserve the descendant pure bloodline of Noah. Follow Russia instructions exactly and offer Russia mutual defense treaty, including becoming a State of Russia Federation. The base for this military geo-politician is due Turkey in the near future will engage Russia in Syria and the military assault on Iran from Azerbaijan (influenced by**

Zionism). The Beast who was is not yet came back is Turkey-Ottoman Empire-The Sultan. II-Apocalypse.

All Muslims brothers and sisters must be treated with respect, but the oppression will not be tolerated. There is an agreement that must be honored, Ishmael House will be a great nation (Arab Nation). Islamist separatism conquering in the 21st Century do not proceed any longer is call an invasion in violation of sovereignty and crime against humanity. Example: Islamic State seizing territory, deepening humanitarian crisis by beheadings of civilians (northern Mozambique).

Any cultural conflict (interaction of people with different cultural values) should be separated to avoid war. If you as an immigrant cannot achieve cultural assimilation for any reason leave that country because nobody has any right to change the population's culture already established and accepted. Any violence involved should be considered as hostage action or insurrection with the proper retaliation to restore the peace.

THE **ACT of BELIEVING** it is a way of life and mind-set. One religion is "good" and those in opposition are "bad," PROMOTES VIOLENCE. Incapable to sustaining multicultural and multi-religious civilization because INTOLERANCE; therefore, HUMAN CONFLICT. Fighting with each other cultural shifts to scriptural REVISIONISM. Different Faiths can live together in peace because the LOVE OF GOD of Abraham core CONVICTION, ADVOCACY OF PEACE, JUSTICE AND BROTHERHOOD of MAN apply to NEIGHBOR. INTERFAITH DIALOGUE BASED in RECIPROCITY.

OUR BEHAVIORS Advocating VIOLENCE without any CONSTRAINTS as a WEAPON IS NOT JUSTIFY. Policies of tolerance to maintain order ensured local populations to continue practicing their preferred religion traditions and continued to function economically. Break up their political and cultural unity for Regional power is wrong in itself of the ruling power. Animosity causes TERROR, WAR and DISCRIMINATION from ABRAHAMIC RELIGIONS. Remember, GOD created DIVERSITY In RACE, COLOR And ETHNICITY among HUMAN BEINGS to test us in doing good deeds and we failed by allowing Hate in our HEARTS. Islam teaches that there is **NO COMPULSION in FAITH**; all humans are FREE to practice their RELIGION. Golden Principles, to live in **PEACE with their NON-MUSLIM NEIGHBOR**. Half of the World's population are Muslims and Christian. **URGENT CALL TO ACTION, RECONCILIATION.**

“Is this the Real City of Mecca?” Sacred City; Timeline-YouTuber (Jan 2019): Dan Gibson.

Mohamed’s original Holy City, as detailed in the Holy Qur’an and Islamic histories, do not match the Holy City of Mecca. Is Becca the real ‘forbidden-gathering-place’? *Qibla wall-direction of prayer?*

“Now shall we turn you to a Qibla that shall please you. Turn then your face in the direction of Mashjad Al Haraam; wherever you are, turn your faces in that direction.” Qur’an 2.143-144.

Prophet Muhammad (PBUH) is the final prophet in Islam (Seal-of-the-Prophets): final message to human beings. ***“But he is the messenger of Allah and the Seal of Prophets.” Holy Qur’an 33:40.***

“I am no new thing among the messengers of Allah, nor do I know what will be done with me or with you.” Qur’an 46:9.

“The meaning of the Holy Prophet being the ‘Khataman Nabiyeen’ is that there shall not now appear a person whom God may appoint with a new Law for mankind, that is to say, there shall be no prophet who shall come with a new Law.” Hazrat Shah Wali Ullah Muhaddith. New prophets can come but they must be subordinate to Muhammad and cannot exceed him in excellence nor alter his teaching or bring any new law or religion. Therefore, Islam doctrine of progressive revelation means warfare in-line with the final-revelation. Glorify him or finality? Khatam to mean ‘superior;’ ‘oneness-of-the-prophets’ apply to all?

Islamic philosopher Imam Raghīb: favor the possibility of non-law bearing prophethood. The Holy Qur'an denies Yahushua ha-Mashiach truth-identity "Son of the Living God;" Prophet Muhammad (PBUH) is not the False Prophet, Vatican is (write-neutrally). Only the Most-High-God has Absolute-Sovereignty, Cycle-of-Fulfillment. God did not tell people his entire plan all at once, as they would not be able to understand-it, progressive-revelation (full-truth). In other words, Arab-civilization not One World Religion. There is only but Most High God's Universal-Consciousness.

"Who killed the Prophet Muhammad (PBUH)" by Sheikh Yaser al-habib (Jan 2010).

The Holy Prophet Muhammad (PBUH) was martyred by Aishah and Hafsah (poisoned in suspicious circumstances, contracted the terminal-disease), Shia Islam (CORRECT). Evidence: Battle of Khaybar (628 CE) but died Jun 632CE. Ali ibn Abi Talib (descendant-of-Ishmael) correct successor of Prophet Muhammad (PBUH), raised by Muhammad and his wife Khadija. The Holy Qur'an emphasizes preserving bonds-of-blood relationship.

"Indeed, this surely is the absolute truth." Al-Waqi'ah 56:95.

"This is my brother, my executor, and my successor among you. Listen to him and obey him." First Islamic Conference. Furthermore, Hadith of Analogy between Ali and Aaron. Al-Bukhari recorded that Saad Ibn Abu Waqas reported: "The Messenger of God...appointed Ali to succeed him in Medina..."

Abu Bakr (through-elections) & Umar seized-power, highly-possibility. Does Abu Bakr & Umar conspired to kill Prophet Muhammad (PBUH) previously in Tabuk? Sunni Islam; was poisoned by Jews, INCORRECT. The attempt by a Jewish woman who poisoned a lamb (Bishr-died instantly), act-of-revenge for killing her family and tribe of Jews, happened years prior his dead.

"And if he had fabricated against Us some of the sayings, We would certainly have seized him by the right hand, then We would certainly have cut off his aorta." Qur'an 69:44-46 (Shakir). Sahih al-bukhari 4428: The Prophet in his ailment in which he died, used to say, "O Aishah! I still feel the pain caused by the food I ate at Khaibar, and at this time, I feel as if my aorta is being cut from that poison."

The prophet (PBUH) wrote the marriage-contract with Aishah while she was six-year-old and consummated his marriage with her while she was nine years old and remained with him till his death. Aisha opposed Ali.

Polygamy do not comply with the equality and non-discrimination principles of human rights, to ensure a dignified life for women. No one knows how many Muslim men in the USA live in polygamous families. Prophet Muhammad (PBUH) never gave a reason for why

the 'four-wife-rule' did not apply to prophets. To produce a revelation whenever it suited his convenience is not divine. Also, abolished-adoption (social-good).

Shia Islam- 12th Imam Mahdi (messianic-qualities), Sunni Islam-Muhammad al-Mahdi (human-view); will appear at the end of times filled with oppression and tyranny, reestablish righteousness. There is no direct reference to the Mahdi (divine guidance) in the Holy Qur'an only in the Hadith. Al-Masih ad-Dajjal (Deceiving Messiah) does not actually appear in the Holy Quran only in the Hadith (Prophet Muhammad).

"The truth is with us and in us, and whoever says this other than us is a liar and a forger." Imam Mahdi (AJ). "When is this promise, if you should be truthful?" Say, "The knowledge is only with Allah, and I am only a clear warner." (67:25-26), The Prophet (PBUH) himself had no knowledge of when the Day of Judgement will occur.

The night journey (Al-Isra) that the Prophet (PBUH) undertook from Makkah to Jerusalem, rise-up to the heavens (alleged actual-ascension). From Masjid Al-Haram in Makkah to the Al Masjid Al Aqsa in Jerusalem (was not resurrection) to show Prophet (PBUH) the magnificent signs of Allah. Then use Buraaq to get back to Makkah. Muhammad ibn Abdullah founder of the world religion of Islam died in Medina, Saudi Arabia. The writer respectfully disagrees, Prophet Muhammad's Spirit (PBUH) real-ascension was Makkah not Jerusalem when spirit-depart.

Not according to Murad!” PfanderFilms/YouTuber (JUN 2020): “...Islamic sources mention that it used to be called Sura of fighting...San’aa manuscript didn’t have names for the Suras...it has been renamed later to historicize Muhammad just like Sura 17 has been rename to Al Isra to historicize the Night Journey...their mark is on their faces from the trace of prostration...The 4 Quranic references to the word Muhammad does not fit the Arabian prophet...Saying that Ahmed is another name for Muhammad in the Qur’an has no historicity...”

“Jerusalem in the Qur’an,” by Imran N. Hossein (Islamic Eschatology).

“It is true that the word Jerusalem does not explicitly occur in the Qur’an but that appears to be in consequence of Divine Wisdom.” Imran N. Hosein.

The only Qur’an is the Arabic Qur’an; the translation into another language, for example, English, cannot be taken as being the Qur’an itself. The Qur’an has declared that its primary function is to “explain all things.”

“...And We have sent down to thee the Book which explains all things.” Qur’an, al-Nahl 16:89

Muslims not pledging allegiance to the secular constitution, abstain from all forms of Riba (usurious transactions) of the modern economy, and encourage to return to the use of gold and silver coins as legal tender in the market. The Muslim society must add specific guidance of the Qur’an and the establishment of authentic Islam. Muslim scholars urged Arabs and Muslims not to accept the Jewish State. The future Muslim’s Army would emerge and liberate the Holy Land (Banu Israel's final divine punishment). Evidence of illegal American imperial occupation in Iraq (independent Muslim country), and its only intention is to build permanent military bases on Iraq soil.

“Protocols of the Elders of Zion.” Henry Ford, 1921.

Thinkers no longer can be accused of falsely believing in conspiracy theories such as Zionist or Jewish plot for domination of the Middle East, that Israelis using the USA and bring about its downfall. The Zionists referred to distorted scriptures from the Torah and other biblical material to justify their oppression and ethnic cleansing of the Palestinians for the Oded Yinson Plan (the Nile to the Euphrates with Jerusalem as its capital). Zionism argued that Truth in Judaism had conferred on the Jewish people exclusive title to the Holy Land.

“...every spot on which your foot treads shall be yours.” Deuteronomy, 11:24

“The Bible is our deed to the land of Israel.” David Ben Gurion.

There is a God-given right to take possession of the Holy Land first established by the Prophet-King David (PBUH).

“Proofs have now come to you from your Lord. If any is capable of seeing (and recognizing them) it will be for (the good of) his own soul. And if any is blind (to them) it will be to his own harm. And I am not here to watch over you.” Qur’an, al-An'am 6:104.

Nowadays, the fear of death and weakening in character affect the “spiritual insight.” Islam states that this Israel possesses no religious legitimacy. Muhammad (PBUH), the Last Prophet of the God of Abraham, and the destiny of Jerusalem will validate Islam’s claim for the

uncorrupted Truth. Therefore, if a Jew can leave the USA or Europe to join the Israeli Defense Force (IDF) and participate in the armed oppression of the Holy Land, why can a Muslim also leave and join the armed resistance (Jihad) liberation of Muslims, Christian Palestinians, and people from oppression. The Zionist-Jewish strategy as the “Ruling State” in the world failed in Syria and Yemen.

Is it a valid claim to Truth, compatible with such injustice, racism, and oppression denying Palestinians the “right of return”?

“And they (the Jews) plotted and planned, and Allah too plotted and planned, and Allah is the best of plotters and planners.” Qur’an, Ale Imran, 3:54

The Arabs guaranteed to the Jews security of life and prosperity while they lived amongst them in the Arab lands for more than two thousand years, because they still possessed (hospitality) a remnant of the religion of Abraham that had come to them with Ishmael (PBUH).

The war would also witness Israel replacing the USA as the “Ruling State” in the world. How was this achieved without the Messiah? Deception of a False Messiah (al-Masih al-Dajjal). Appearance and reality would be completely different from each other. Last Hour draws nearer; Gog and Magog, the False Messiah, and the Return of Jesus (PBUH).

Biblical Israel validation of the Jewish claims says that Jesus and Muhammad (peace be upon them both) were both impostors and could not survive without the active assistance of all-powerful (sea-land-air) but decadent West. **All Zionism ever did, was to exploit every single lie written in the Bible. Indeed, a Muslim is duty-bound to respond to such hostile critics who persist in challenging Islam and the Qur’an against the disbelievers. The problem of Israel confronting the Muslim World today has neither precedent nor parallel in Islamic history (modern colonialism-Muslims' Europe invasion or Crusades- Euro-Christians).**

Israelite-Jews (Semitic people) traced their ancestry to Father Abraham (PBUH) with racial affinity to the Arabs but converted to Judaism shared no such descent from Abraham. **Gog and Magog-ranks of such European Jews, who overturned Christian European civilization, established the Zionist movement and the State of Israel.**

Jerusalem, the city sacred to Muslims, Christians, and Jews, is destined to play the most significant of all roles in the End of History (all agreed on this). Muslims and enlightened non-Muslims in the Last Age blessed with spiritual insight (will be the only witness to the End of History.) Jews, the advent of the Messiah restoring the golden age of Judaism and eternally rule the world from Jerusalem (liberated from the control of Gentiles). Christians, same belief and validate the Christian dogmas of the Trinity. Muslims, Islam claims that Jesus (PBUH), the ‘true’ Messiah will break the cross, end Christianity, and kill the pigs.

Sahih Bukhari, pigs-extreme divine anger will descend at the White Minaret on the eastern Damascus and search for Dajjal to kill him. Since these three conceptions of Truth, which all claim originated from Abraham (PBUH) and have such profound differences that all cannot be possible all be true.

The Sea of Galilee (Lake Tiberias) is constantly decreasing because of overconsumption. If Lake Tiberias dries up, that is when the Arabs need to submit to the Jewish rule in the Holy Land to get water from the desalinization plants. MOSSAD's attack on America (911) created conditions favorable for Israel (will defy the entire world) and predictable collapse of the USA dollar. The destruction of Masjid al-Aqsa and the reconstruction of the Jewish Temple on the site Solomon ruled the world from Jerusalem (control of wealth and water).

“And remember it was said to them ‘Dwell in this town and eat therein as ye wish but say the word of humility and enter the gate in a posture of humility’...” Qur’an, al-’Araf, 7:161.

“And there is a ban on a town which WE destroyed that they shall not return until Gog and Magog are released and they descent from every height or spread in every direction.” Qur’an, al-Anbiyah, 21:95-6

The Qur’an referred to Jerusalem mysteriously as a ‘town,’ to determine the identity must examined all that pertain Gog and Magog (European Civilization), then become clear World Order of Gog and Magog. The return of the Israelite Jews to the Holy Land confirms that Gog and Magog have been released (made the return possible).

“And WE gave warning to the ‘Children of Israel’ in the book that twice would they commit Fasad (destructive corruption) on ‘the land’ and be elated with mighty arrogance.” Qur’an, Banu Israil, 17:4.

“Before this WE wrote in the Psalms after the Message: My servants the righteous shall inherit ‘the land’.” Qur’an, al-Anbiyah, 21:105.

“But WE delivered him (Abraham) and Lot to the land in which WE had placed blessings for all of mankind.” Qur’an, al-Anbiyah, 21:71

Abraham (PBUH), the religious head (Imam) to mankind, and ‘one’ Truth, the only one, who could survive in the Holy Land (Truth would always visibly triumph over falsehood). Righteousness and submission to Allah Most High essence of Truth (Religion of Abraham (PBUH)). The destiny of Jerusalem to validate Truth. We should note that God of Abraham prohibited the borrowing and lending of money on interest (Riba), Jews changed the Torah to legalize lending money on interest to those who were not Jews. If Allah Most High blessed that Land “for all of mankind,” who faithfully follow the Religion of Abraham would have access to those blessings (right to live in the Land). Why the claim of the Jews to ‘exclusive’ title to the Holy Land?

“And remember that Abraham was tried by his Lord with certain commands, which he fulfilled: He said: “I hereby appoint you as the Imam of all mankind.” He enquired: “And also from my offspring? He answered: “My Covenant will not reach those who commit acts of Dhulm (tyranny-oppression).” Qur’an, al-Baqarah, 2:124.

The Israelites were the progeny of Abraham and following the Religion of Abraham under the guidance of Moses (PBUH) and were entitled to live in the Holy Land. The Roman army under General Titus destroyed Masjid al-Aqsa (the Temple built by Solomon) in 70 AC. The Muslim army conquered Jerusalem during the rule of Caliph Umar.

Jewish right to Jerusalem and the Holy Land was “conditional’ on faith and righteous conduct,” (observance of the Religion of Abraham) could take lawful possession and dwell therein.

“The righteous shall inherit the Land, and dwell therein forever.” Psalm, 37:29

The historical record confirms that the Jews were expelled by divine decree whenever they violated the condition of faith and righteous conduct cause the Muslims to inherit that Land to rule just and God-fearing. The European Zionists deceived the Israelite-Jews because violations of the conditions of inheritance; the modern secular State constitutes the negation of the Religion of Abraham (PBUH).

Deuteronomy 9:6 and 11:18-25 are false because they exclude righteousness and faith as conditions for the inheritance of the Holy Land. The Prophet Jeremiah warned them (Jeremiah, 32:36).

Saudi Arabia's years' war in Yemen provokes Sunni-Shia civil war breaking the Alliance within the House of Islam (recognize the Shia to be Muslims) and threats of attacking Iran (provoking Iran's retaliation against Bahrain). Imam Al-Mahdi emerges from Medina? Saudi Arabia and Turkey (Ottoman Islam) seeking leadership Sunni Islam. Correct Islam-the right to Mecca and Medina-The Authentic expression politically. Ottoman Empire (seeds of hatred) constantly wage war on Iran –Shia Islam and Orthodox Christian. Turkey's effort to overthrow the government of Libya (Gadhafi murder) to replace it with a NATO Regime. Turkish military attack on northern Syria, secret understanding between USA and Turkey? The writer question is, was it the sacrifice of “HAGIA SOFIA”? Erdogan and his advisors envisioned Turkey becoming the spokesperson of the Islamic world in the international system; promoting hostility between Orthodox Christians and Muslims, when already minutes away is one Mosque. Turkey-hypocrisy strongly condemns Israeli court's decision that a quite Jewish prayer should be allowed at Al-Aqsa.

Hagia Sofia-Ottoman Sword: incorrect Qur’an, not Arab country. Ottoman Turkish Empire was the last Caliphate which ended in 1923, waiting for restoration when Al-Mahdi comes.

“We will give the home of the Hereafter to those who do not want arrogance or mischief on Earth; and the end is best for the righteous.” Qur’an 28:83. “My Covenant will not reach those who commit acts of Dhulm (tyranny-opression).” Qur’an, al-Bagarah, 2:124.

“In this city that we had to leave in tears during the First World War, it is still possible to come across traces of the Ottoman resistance. So, Jerusalem is our city, a city from us.” Recep Tayyip Erdogan, President of Turkey.

Turkey and the Resurrection of the Ottoman Empire as the Islamic State Caliphate (Islamic Confederation) under Erdogan Regime. During WWI, the empire collapsed, and the caliphate was dissolved. Turkey (secular state) is a NATO member (Al-taqiyya), also a jihadist entity (median age 25 years) divided population. Turkey will invoke NATO Art. 5 to a full-blown War with Russia. Erdogan warns Europe to avoid mistakes that would bring about their destruction. Turkey military operation in Syria without restraint and sobriety. Live-dispute gas pipeline in Eastern Mediterranean puts Israel on a collision course with Turkey (“challenge”). Albert Pike, WWII-Muslim vs. Zionism mutual destruction. **WARNING:** One-World-Religion (Islamic Subjugation), **RED CALIPHATE FLAG** conquest to establish Turkish Civilization worldwide (Ayaan-hirsi-ali). The restoration of the caliphate, **“Get together for the Caliphate, if not now when, if not you, who.”** Ottoman Empire, once was, then was not yet came again. The other Mideast beast comes from Cain, the one marked, revealed 12th Iman Al-Mahdi of Shia Islam from Jamkaran Mosque. This is the mark of the beast (abomination-of-desolation) mandatory open conscious world worship by military domination (captivity and sword). “Jizyah” payment submission (Qur’an 9:29) or be beheaded (Infidels).

Began July 2020, Ottoman Sword (original) entered between two green flags to conquer “Hagia Sofia” (first Christian Cathedral of Constantinople) in Istanbul, Turkey. Hagia Sophia and the Church of the Holy Saviour in Chora were converted into mosques by Recep Tayyip Erdogan’s presidential decrees (conquest rhetoric). Erdogan relive the Ottoman brutality and support for the Palestinians as an excuse for liberating Al-Aqsa Mosque in Jerusalem. Erdogan’s violation of ruling Islamic Law that allows minority place of worship, opened the possibilities for the government of Israel to build the Third Temple on Temple Mount (Haram-esh-Sharif) constructed by King Solomon as the holiest place for the Jewish people. Also, the Third Temple is sacred in Judaism (Messianic Age) as Ezequiel’s Temple with Amidah prayer.

The King of the North (Turkey), “Hagia Sofia” trickery, provocation to the government of Israel to annex the Temple Mount and justify the military intervention to liberate Jerusalem. As soon as the Islamic Confederation Army marched towards the liberation of the Temple Mount, Jerusalem then Jacob’s Trouble (crisis) began. Millions of Muslims on Jerusalem’s soil (Ezequiel 38-39) marked the beginning of Tribulation. The King of the North (Turkey) to the North, Persia (Iran and Iraq) to the East, Libya to the West and Sudan to the South.

Azerbaijan unites the Islamic State Caliphate on the North. From the Arabian Peninsula, Yemen due to military assistance from Iran will unite also. Turkey and Muslim Brotherhood (Obama) mutual interest in restoring “the era of Islamic rule.” In Hadith call for genocide of the Jews, historical fact, the genocide of the Armenians by the Turks.

“...Indeed, we have killed the Messiah, Jesus, the son of Mary, the messenger of Allah...And they did not kill him...Allah raised him to Himself...And there is none from the People of the Scripture but that he will surely believe in Jesus before his death. And on the Day of Resurrection, he will be against them a witness.” An-Nisaq’ 4:157-159.

“O Isa, surely, I am to take you in full and to raise you towards Myself...and to place those who follow you above those who disbelieve...until the Day of the Resurrection...and I will judge between you about what you were differing in.” Qur’an 3:55.

Muslims believe that he was not crucified but raised to Heaven directly without Resurrection before Ascension. Qur'an constitutes their Holy Scripture and Sunnah (Hadith) -Muhammad's words and works their Holy Tradition. Prophet Jesus-Muslims was a man not God. He did not die neither rised but went to Heaven like Elijah, standing alongside of Allah waiting to send him back. Prophet Jesus plays a key role in the end-times because He (ISA) will return from Heaven (holding the wings of two Angels who flies him down) and prays to Al-Mahdi 12th Imam (Greater than ISA) so He (ISA) can correct all the Christians who have misunderstood who He is and pilgrimage to Mecca to worship Allah.

Then, the establishment worldwide of Sharia Law and become the greatest Muslim Evangelist. The final witness on the Day of Judgment against non-Muslims. He (ISA) will shatter crosses, the metaphoric symbol of Christianity (destruction of the Church); who kills the Antichrist-Dajjal (great deceiver that comes to Earth on a mule and blind in one eye, he is an infidel who claims to be Jesus the Son of God). He-ISA will get married, have children, die, and be buried next to Muhammad.

Shi'ite tradition: Dajjal (Qous-Egypt) emergence- 'times of famine,' who supports him is unfortunate. ISA (Jesus) catches him at the gate of Lod near Tel Aviv.

Ghulam Ahmad (1835-1908) claimed to have been divinely appointed as both the Promise Mahdi and Messiah expected by Muslims to appear towards the end times. To revive the forgotten Islamic values of peace, forgiveness, and sympathy for all mankind. Other religious have drifted away from their original form and been corrupted.

***"The task for which God has appointed me is that I should remove the malaise that afflicts the relationship between God and His creatures and restore the relationship of love and sincerity between them."* Ahmad.**

'**Ahmadiyya**' interpreted as specific group of nations centered upon Christology instead of an individual. Dajjal as a system rather than its personal individuality. Muslims are firm of heart against the unbelievers and swift military successes against their oppressors, while Jesus consisted purely of preaching not fighting.

Ahmadi Muslims believes that the Qur'an is the final divine scripture revealed by God to mankind. The Holy Qur'an has supreme authority. Quranic rulings cannot be overruled by any other secondary or explanatory source. If a hadith is found to be in manifest conflict with the Qur'an and defies all possible efforts at harmonization, it is rejected regardless of the classification. Muhammad's prophet-hood recognition and eventual acceptance of His message was destined with the Mahdi (nor alter His teaching or bring any new law or religion). Oneness of God, sense of complete dependence on God. 'Day of Judgement' most emphasized doctrine mentioned in Qur'an, Universe will come to an end on the Day of Judgement.

There will be between them a great battle for Muslim World domination. Allah will bring it forth on the Day of Judgment, and it will have two eyes with which it will see and a tongue with which it will speak (At-Tirmidhi Sunan). The Black Stone of the Ka 'bah (sacred stone that fell from the sky). Breaths to the image/statue that would even speak? (Rev13:15).

People of the world compulsion to Islam, anyone who refuses should be fought till they are killed, is a dangerous threat (Taliban's Jihad took control whole Afghanistan). Expect sudden disruptive and destructive events when 12th Al-Mahdi Iman fails on colonized Earth but crime against humanity. Defeating the argument of peaceful religion but human rights violations and war crimes. No free-will but deadly-subjugation. Divine Wisdom: ISA of Holy Qur'an is not Yahushua ha-Mashiach, the Son of the Living GOD, may YHWH save us from any deviations. The prayer of the righteous is powerful and effective.

Christianity and Islam are religions that preach peace and love for your neighbor but sowed seeds of distrust. Christian believers persecuted and tortured with impunity; depopulated them by the sword. How might cultures interact when shaped by different religions? Warfare justified? Is necessary when the cause is freedom and justice not government neither religious leader. The Crusades horrible time in the history of both Christianity and Islam both advocating violence without any constraints. Crusaders got side-tracked by their lust for power. Crusading online-rhetoric (the fear of death-war crimes or subjugation-human rights violations) translated into deadly action if Sharia Law is implemented in Western Civilization. Muslims not pledging to the Secular Constitution. Corrective action, rigorous intellectual honesty, and self-reflection not hateful rhetoric.

FRANCE: Forum of Islam; to rid the religion of extremism, and training Imams in France to ensure that 5Mn French Muslims adhere to the value of secularism in public life. Islamist separatism within the country. Institutionalizing discrimination; oversight of mosques and schools.

Example: Muslims: 'Justice for Aksum Muslims' demand to build a mosque in the city and to give their call to prayer on loudspeakers. "...churches are banned in Islam's holiest site; mosques cannot exist in Aksum." Godefa Merha.

To relegate religion to the personal life. Islam recognizes the supremacy of truth over the State, to established KHALIFA. Secular political thought of oppression and warfare, globalization, demise of national identity. Jewish State & Hindu State: scholarly arrogance –exceptionalism. Lack of 'substance of truth', Peace & Justice.

"Fight those who believe not in Allah nor the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor acknowledge the Religion of Truth, from among the People of the Book, until they pay the Jizyah with willing submission, and feel themselves subdued." Qur'an 9:29. "I have been commanded to fight against people, till they testify to the fact that there is no god but Allah, and believe in me, I am the messenger..." Sahih Muslim 21a-b.

Newton sees Revelation as the story of Christianity, the writer concurs. Newton rejected the belief in the Trinity based on his own interpretation not heretic but authentic Christianity. Holy Land key events culminating in the Antichrist before 2060, Apocalypse ominous warning. Temple of Solomon build in Jerusalem around 1000BC and destroyed by the Babylonian invasion. A second Temple was rebuilt on the ruins of the first, destroyed by the Romans in 70 AD. Third Temple will trigger a series of tribulations that leads to Armageddon. The final conflagration in which forces of good would intervene. **For Newton, it is absolutely Science**

because the proof is going to be in the historical event. It is the events that will prove the Apocalypse, the writer concurs.

Hegel insisted that he was a Christian and **Christianity was the most complete expression of Truth**. From Hegel’s viewpoint, liberalism allowed for the dissemination of a new form of ethical thinking which placed individual choice at its center.

The government of Israel crimes against humanity towards the Palestinians will face judgment before their deliverance since true and righteous is YHWH-Judgement, then restoration. There is an agreement that must be honored, Ishmael House will be a great nation (Arab Nation). Remember, 1948-2020 Israeli government could not establish a peaceful solution, was deliberate but would not escape consequences from their actions. Furthermore, promotes indirectly consensus jihad (social justice) because of the atrocities done to the Palestinians.

At the same time, Pakistan (nuclear power) Kashmir conflict arise due to a military confrontation (Indo-Pakistani). As well, Armenia and Azerbaijan hostilities in south and northeast of Nagorno-Karabakh. If Azerbaijan fulfill the treat to strike Armenia’s nuclear power plant, it will be an act of war. Russia supplied arms to both countries and Turkey backing ally Azerbaijan.

The stealth Jihad began with Obama Administration followed by defensive Jihad disguise as Racism. Around 4Mn Muslims living in USA, a quarter are African Americans. If an offensive Jihad begins in USA practice endurance (free-will) but also self-defense. Michigan is the largest Muslim population in USA. The Beast who was is not yet came back is Turkey-Ottoman Empire-The Sultan. All Muslims brothers and sisters must be treated with respect, but the oppression will not be tolerated. Islamist separatism conquering in the 21st Century do not proceed any longer is call an invasion in violation-of-sovereignty and crime-against-humanity. Example: Islamic State seizing territory, deepening humanitarian crisis by beheadings of civilians (northern Mozambique). Any cultural conflict (interaction of people with different cultural values) should be separated to avoid war. If you as an immigrant cannot achieve cultural assimilation for any reason leave that country because nobody has any right to change the population' culture already established and accepted. Any violence involved should be considered as hostage action or insurrection with the proper retaliation to restore the peace.

The abolition of the Sabbath by the Roman Catholic for Sunday in violation of the Fourth Commandment (YHWH Covenant), and the Papal Supremacy as “Vicar of Christ” head of all Christians. The Eastern Orthodox doctrine never accepted the jurisdiction of Rome; the body of Christ must always be equal with itself (already intrinsic to it). In other words, Orthodox Christians argue early church is not equivalent to the current doctrine of supremacy. He did not say upon Peter for it is not upon the man, but upon his own faith that the church is built.

The Origins of Jewish Apocalyptic Literature: Prophecy, Babylon, and 1 Enoch by Sarah Robinson, 2005.

Hebrew Bible-Book of Daniel only official apocalypse. Apocalypses take longer periods of time with divine intervention. Jewish authors canonized in the Holy Bible. Jewish’s thoughts and religion; evil is not human origin and immortality of the soul. The concept of the immortality of the soul (1 En. 22) place humans in a “two-dimensional universe,” the Earthly dimension being evil (Boccaccini).

1 Enoch- ‘Book of Watchers’ (1-36) apocalyptic imagery including the ‘Son of Man’ figure and oldest Jewish apocalypse in ancient Aramaic written by priests or scribes (not non-Jewish influences) molded by their Babylonian experience. Fallen Angels’ who descended to Earth because they desire woman ‘sexual-union’ with then produced ‘monstrous giants.’

Mesopotamia- ‘Babylonian Exile,’ exiled priest Ezekiel warn but others were given oracles in favor of the stability of the situation (not whole).

“Or were there different currents within Judaism that produced apocalyptic literature at different times for different reasons?” Sarah Robinson.

LUCIFERIAN alleging:

“...Omnipotent and I... law of compensation, everyone reaps that which he sows. Human being duty of finding how to live a full and happy life, then helping others. Thought of definiteness of purpose, an act of appropriating it from Universal Intelligence, persistently pursued. The person who goes to prayer with definiteness of purpose and faith in the attainment of that purpose puts into motion the laws of nature which transmute one’s dominating desires into their physical equivalent. Translate it into existence through the power of their own minds and efforts. Infinite intelligence favors only those who understand and adapt themselves to her laws. Human being can use his brain for the reception and the expression of thoughts. The power of independent thought with definiteness of purpose. The school system teaches children to memorize facts instead of teaching them how to use their own minds and importance of definiteness of purpose (one must gain mastery over-self). People who eat wisely and keep a clean body sewer means a sound body and a brain that functions properly. The emotion of sex into some form of activity other than copulation, transmute them into a driving force. Over-indulgence of sex dissipates energy needed by nature to maintain physical health and depletes the magnetic energy which is the source of an attractive pleasing personality. Sex is a virtue when controlled and a fault when lead to acts of lust. The influence of hypnotic rhythm in connection with human relations. Adversity forces an individual to test his mental, physical, and spiritual strength, proving that no one can succeed without the cooperation of others; an opportunity to form new thought-habits redirecting the force of hypnotic-rhythm. Most people who escape from the negative to the positive operation of the law of adversity which forces them to change their thought-habits.

The non-drifter meets with temporary defeat and failure but his reaction to all forms of adversity is positive (fights instead of giving up) and convert them into benefits. Life gives no one immunity against adversity.”

“Every individual is forced to use his thought power for the attainment of definite. Law of hypnotic-rhythm (compensation) forces every individual to give some degree of use either positive or negative to his mind. Nature balances negative and positive forces in all forms of energy, matter, and human relationships. Forcing upon one generation of people the effects of both the sins and virtues of preceding generations. Meditation and introspective thought often lead to the discovery and use of the sixth sense through which one may communicate with infinite intelligence. Thought habits are stimulated by environmental influences. All people absorb either consciously or unconsciously the thought-habits of those with whom the associate closely. There is a way out for drifters, take possession of their own minds and environment which inspires positive thought through definiteness of purpose. Drifting is a negative state of mind emptiness of purpose. The most effective of all environments is master-mind alliance of a group of people who will obligate themselves to assist one another in achieving definite purpose (mass thought of millions of minds). Every human being is duty-bound to himself to remove from his environment, every influence that develop negative thought-habits. Negative thought-habits control the individual and deprive him of the privilege of self-determination.”

“Time and space are manifestations of motion. Time is fourth dimension, penalizes the individual for all negative and rewards positive according to the nature and purpose of the thoughts. Wisdom cannot be inherited or imparted form one person to another except through time. Wisdom comes only to non-drifters who form positive thoughts-habits as a dominating force in their lives. Wisdom is the ability to relate yourself to nature’s laws and relate yourself to other people to gain cooperation towards a common goal.”

“Adversity and failure are nature’s universal languages through which she imparts wisdom to those who are ready and have voluntarily sought it. Times gives to knowledge definiteness in quality, quantity, and dependability. Dependable knowledge harmonizes with natural law based on positive thought. Time’s rearrangement of facts and values, present knowledge may become null and void tomorrow. The man with definite plan and purpose, determined to have it.”

“For by grace are ye saved through FAITH; and that not of yourselves: it is the Gift of God: not of works, lest any man should boast.” Ephesians 2:8-9.

Be root on YHWH’s Word and remain strong. We all need to be ready. Discrepancy between YHWH-Word and the Messenger is not difficult to understand who is wrong. The Messenger is wrong. The Word judged the Messenger. Not align with scriptures, corrupt your point of view. Live anyway you want and there will be no repercussion. Incorrect doctrines, sexual immorality and watering the Gospel; believe doing the right thing but being deceived. False teacher, defiler of everything good and godly. New age philosophers’ perverts the Gospel of Christ.

“Let us be certain, there is no righteousness except the righteousness of God.” Ella Samuels.

“The Christians can never endorse sin, nor can we ever knowingly interact with someone in such a way to give credence to their sin.” Ben Giselbach.

Fair enough. There are two levels of UNDERSTANDING: ‘Body of Christ’ & Gentiles and Infidels; Natural Law applied to both as regulation-equilibrium between positive and negative. It is not credence, but respectful relationship in YHWH’s creation, based on Human Rights (subject to the governing authorities). Christians’ Righteousness rooted on YHWH’s Word-Righteousness (spiritual-relationship) is the difference between both consciences.

“Let everyone be subject to the governing authorities...” Romans 13:1. “...let the reader understand...” Mark 13:14.

The third person imperative is used to give 'direction to future-followers of Jesus Christ' besides the one being addressed, warn them to understand 'season coming-events' within context (discern their intent).

"But whoever looks intently into the perfect law that gives freedom and continues in it –not forgetting what they have heard but doing it –they will be blessed in what they do." James 1:25.

Body-of-Christ must be mature-enough to understand that only through Human Rights can 'Art-of-Peace' be successful to co-exist. The 'root-of-grace' will be no found on Gentiles and Infidels because YHWH's Righteousness are not in themselves; therefore, no Spiritual-Salvation.

Sanhedrin 43A; controversial trial of 'Yeshu ha-Notzeri', Yeshu was illegitimate. The censorship was meant to remove all disparaging passages about Jesus, some of manuscripts used by Soncino (including Sanhedrin) had been censored by the Spanish authorities after the 'Disputation of Tortosa' (1414). In the actual manuscript of the Munich-Talmud, this passage occurs on p.679, various points attempt to erase the text but unlikely that more than one person was hung on Passover Eve. The two censored traditions about Jesus and his disciples

which would occur at b. San.43a, were removed in the 15-16-centuries. The common pattern of editing in rabbinic traditions is to expand the text while leaving the original words unaltered. Reconstruction: It was taught on the Eve of Passover they hung Yeshu the Notzarine. EXECUTIVE ORDER: Disclosure; US President's call with Ukraine President & Russia President.

EXECUTIVE ORDER: Independent Investigation; federal questions, obstruction of justice? RICO Act?

UPDATED: MARCH 1, 2022; LORD'S DAY, RUSSIA CORRECT, SUSTAIN.

The writer is not a 'Russia Agent' but freethought. Left and Right embraced the same warmongering mindset, and no middle ground with an open mind for peace. Corrupt governments trying to retain power, grind down the middle class, and those in poverty. People defending individual freedom (human rights and self-respect) against globalist's authoritarian policies. NATO member states surrounding Russia is a threat to their national security; likewise, Russia and China recruiting nations surrounding USA, common sense. How the globalists exploit such catastrophes? Who is benefiting from it?

Russia must leave Ukraine as soon, PEACE is restored, Russia holding high-moral ground. In the other hand, after genocide stop and eradicate Neo-Nazis, must return to Mother Russia's borders. WW3 is inevitable but can be avoided giving future hope. The threat of NATO moving eastward, like Hitler's Third Reich did, and Russian people courageously fought back against western aggression. US Congress bans arms to Ukraine militia linked to neo-Nazis (The Hill/2018). NMU/AZOV, MIROTVORETS, SS. State of Israel arms supplies to NAZI Azov Battalion in 2018? Neo-Nazi Azov battalion (armed with Israeli weapons) is NOT

PRO-RUSSIA but fight alongside the Ukrainian Army in the east of the country (Donbass' genocide). Russia does not recognize Israel's sovereignty in Golan Heights.

Russia took-out 8 US BIOLABS in Ukraine? CIA's contractors in Ukraine?

"We have reason to believe they are engaged in a 'false flag' operation to have an excuse to go in." BIDEN.

NYC's False-flag nuke/cyber-attack could be blame on Russia, bring dictatorial war-time regime, escalation to nuclear war. SWIFT cutoff sanctions against Russian Banks, forcing them to resume precious metals market (corrective action). Farming and food-inflation make low-wage workers' basic sustenance unaffordable (human dignity).

"Putin: Disgusting! German and French Gas Companies are reselling Russian gas seven times the price! Russia Insight/YouTuber (DEC 2021): "Gazprom supplies all the gas requested by our counterparties under their contracts. Moreover, it has even increased supplies by almost 12%...increasing supplies to Europe as well...American suppliers withdrew considerable amounts...from the European market...14Mntonnes of LNG...a shortage of gas in underground storage facilities...actively withdrawing it...no point in destroying long-term contracts...European Commission was telling us: no...the market will set it right...Germany is our largest consumer in Europe...supplied an extra...10%...supplied an extra...gas to Italy...Yamal-Europe route...That is disgusting...failed to submit bids for purchase...they turned on this route in reverse mode...from Germany to Poland...are now reselling it...address the problems of their own making..." PUTIN.

"Germany's Spiegel asks, 'Is Vladimir Putin right' over NATO expansion." Tyler Durden/zerohedge.com (FEB 2022): "... 'Two Plus Four Treaty' linked to Germany's 1990 reunification precludes the option of expanding the NATO zone into the East..."

"You cheated us shamelessly." "You promised us in the 1990s that [NATO] would not move an inch to the East." PUTIN.

"Putin is probably putting pressure and I think he can do it...get him the respect he really demands...Russia is an opportunity. India and Germany need Russia...against China..." German Navy Chief Vice Admiral Kay-Achim Schoenbach.

"We agreed that there is no intention to expand the NATO security zone further to the east.

This applies in general. And not only to the German Democratic Republic. Which we do not want to incorporate.” Hans-Dietrich Genscher, German Foreign Minister (1974-1992).

But what they are now doing on the territory of Ukraine...doorstep of our home...If US and NATO missile system are deployed in Ukraine, their flight time to Moscow will be only 7-10 minutes...5 minutes for hypersonic missiles...we already have Zircon, but they do not have it yet...it doesn’t mean that they will use it tomorrow...Do they think we don’t see these threats?...We want to resolve issues by political and diplomatic means...legal guarantees...constructive and meaningful negotiations, within a certain time frame...equal security for all...they are to blame for what is happening in Europe now...Russia had to respond at every step...force to resolve it...appropriate military-technical reciprocal measures...fully entitled to these actions...ensure Russia’s security and independence...” PUTIN.

CORRECT: In the Cuban missile-crisis, US did not want Russian missiles in Cuba because of the close proximity. Historical precedent, high-trust-culture, must-be reciprocal. No Exception.

Russian government prevent activist momentum in the name of public security, Kazakhstan double-standard? Kazakhstan: City of Almaty; epicenter of violent protests sparked by a fuel price hike. instability on two fronts (Ukraine).

NATO declines Russia's security demand to maintain pre-1997 borders (Russian/NATO founding Act); military near its borders is national security threat.
